*About Dr. Irene:*

*Dr. Irene was born in Hong Kong and raised in the United States. She graduated from Purdue University with a Bachelor of Science degree in Nutrition Science. She then completed her Doctor of Dental Surgery degree at New York University College of Dentistry in 2003. She continued her postgraduate education at Mt Sinai Medical Center (New York) to receive her certification in Pediatric Dentistry.*

*Dr. Irene has over ten years of Pediatric Dentistry experience providing various dental treatments for children of all ages and treatments for children with special needs. She has practiced in private clinics in the Chicago and New York areas. She was also an emeritus Pediatric Dentistry clinical instructor at Mt. Sinai Medical Center where she instructed postgraduate pediatric dental. Prior to relocating to Hong Kong, Dr. Irene held the position as the Chief of Pediatric Dentistry and Orthodontics at United Family Hospital, Beijing. Currently, Dr. Irene practices in the private clinic setting as well as serving as a part time clinical faculty at the Prince Philip Dental Hospital, Hong Kong.*
